

# The fontawesome-free package

## Up-to-date Lua<sup>A</sup>T<sub>E</sub>X support for Font Awesome

Marc Penninga\*

Version 1.1.1 (2024-11-22); contains version 6.7.0 of the Font Awesome fonts

### Abstract

There are several packages on CTAN that provide access to the free *Font Awesome* icons, but these have all become outdated and are missing many icons from newer versions of Font Awesome. The **fontawesome-free** package deals with this problem by building the L<sup>A</sup>T<sub>E</sub>X support dynamically from data in the fonts themselves; updating the package is as simple as replacing the font files with newer ones . The drawback of this approach is that the package only works with Lua<sup>A</sup>T<sub>E</sub>X .

|----------------------------------|-----------|
| <b>1 Usage</b>                   | <b>1</b>  |
| <b>Appendix A List of icons</b>  | <b>2</b>  |
| <b>Appendix B List of brands</b> | <b>14</b> |

## 1 Usage

The fontawesome-free package contains all 2,058 icons from the free subset of the Font Awesome `\fa` fonts. The package provides one command, `\fa`, with a single mandatory argument: the *(name)* of the icon. Some icons have light or “open” variants, like  versus . Those variants are accessed by adding `-o` to the icon name: `\fa{file-pdf-o}` versus `\fa{file-pdf}`. A full list of icons and their names is included in the appendices.

`\fa*` By default, the Font Awesome icons have varying widths. The `\fa` command has a starred variant `\fa*` that produces fixed-width icons, by centering them in a 1.25em wide box.

## License

The Font Awesome Free fonts are released under the SIL Open Font License, version 1.1. The rest of this package is released under the LaTeX Project Public License, version 1.3c.

All brand icons are trademarks of their respective owners. The use of these trademarks does not indicate endorsement of the trademark holder by Font Awesome or the author, nor vice versa. **Please do not use brand logos for any purpose except to represent the company, product, or service to which they refer.**
